

# Express Plus

Here we are proud to give you a perspective idea of the Express Plus. A place that symbolizes a goldmine of opportunities involved with this mega project.

# { CINE PLEX }

Express Plus will flaunt a state of the art Cineplex. A place where the best and latest in comfort, sound and viewing pleasure come together. An experience that will redefine the entire concept of watching movies.

# { FOOD & LEISURE }

We feel that any mall experience can never be complete unless and until the shoppers treat their taste buds. Keeping this fact as one of the top priorities, we have dedicated an entire section to a food court. This food court boasts of cuisines from every nook and corner of the world without forgetting our own Indian delicacies. This food court presents every one with an array of delicious options that will surely win every connoisseur's heart and obviously the tongue too.

# { BEST LAID PLANS }

The lay out of the entire mall is designed in such a way that it caters to the needs of all the customers and satisfies the aspirations of every one involved with it. Every specification of the mall boasts of being the best in the industry. Although each facet provides a unique experience but all of them are integrated together to create a never before ambience. Whether be it the Cineplex, Food-court or the Shopping Gallery, every aspect compliments each other.
